CARBONDALE ELEMENTARY SCHOOL DISTRICT #95

Where great futures start

Phone: 618-457-3591

Welcome to CES District #95

Welcome to Carbondale Elementary School District #95, home to four elementary schools serving more than 1,500 pre-K to eighth-graders. Our study body is diverse, with 18 languages spoken in our homes.

We are led by a dynamic new administrative team energized to enhance our curriculum and support all the good things already happening throughout the district

We are one of this area's largest employers and appreciate great parental and community support! We look forward to having you and your family join ours! This is the place where your child's bright future begins!

Our Attendance Centers

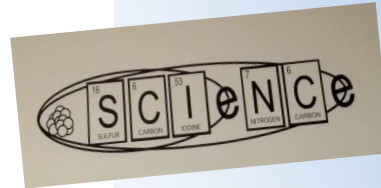

- Parrish Elementary: Pre-K to 1st
- Thomas Elementary: 2nd and 3rd
- Lewis Elementary: 4th and 5th
- Carbondale Middle: 6th, 7th and 8th

Solid Curriculum

One of our overarching goals is to implement a solid curriculum that reflects the best practices for educating our children. Our Director of Curriculum and Instruction ensures that our teachers have all the tools they need to meet the needs and learning styles of each child.

We work to keep our class sizes and our teacher-to-student ratio low.

The district also has an Academically Talented program for youth requiring an accelerated challenge and an integrated Special Education for those needing additional supports.

Faculty and Staff

Nowhere else in Southern Illinois will you find teachers and staff better equipped and passionate about educating our children.

More than 220 teachers and staff call District #95 home, and more than 50 percent of our educators have a Master's

degree or higher. Our goal is to continuously and strategically learn and apply the best practices to equip our children to learn at their maximum capacity.

Extracurriculars

Round out your child's educational experience by choosing from among our exceptional extracurricular activities: Orchestra, jazz band and marching band; basketball, baseball, softball, volleyball, cheerleading and cross-country & track and field.
